Dear Brothers and Sisters

Business managers report for June 2020

I hope that everyone is doing well and staying safe during these turbulent times. Times like, we are currently going thru make us realize how important family and friends are to us.

At this time, we are still unable to meet as a body and hold a union meeting. The meeting for June is cancelled and we will continue to evaluate the situation.

When we are able to meet for a union meeting we will have nominations for Funds Trustee and the following month we will have the election for Funds trustee.

For the election of officers that would have been held in June of 2021 this election will be held in March of 2021 and the nominations will be held in February of 2021. The reason for this change is because of the 40th United Association Convention. Section 20 of the UA Constitution requires that credentials of convention delegates and alternates to be filed in the General office at least 90 days prior to the date of the convention. That cut-off date for the 40th Convention will be May 25 2021.

We will be signing on as a local to the Union Strong app. This app will be available to **all** local 22 members at no cost. This will be a effective tool to better communicate with our members. We will post updates on our web site when the app will go live.
